**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thanks to competitive telecommunication laws, Sonic has been able to build and connect tens of thousands of members on our own fiber network. I had to let them go for Home because I lived too far for adequate connectivity but I use them exclusively for my Business and it is perfect! Can't wait to go back to them for Home. I love Sonic; they are our local hometown providers with real people that we can understand to help troubleshoot and answer questions. We need continued access to copper as a bridge to fiber so that we can get our access, keeping, connected to the fastest, most affordable internet available. Sonic keeps it real.

Thank you
